

Awesome Artisan Quilts

Longarm Quilting Services

Designs By Monica Croom

Classic Precision

Many quilt lovers are too busy with work, home, and day-day-day responsibilities to devote the time needed to finish their pieces. It can often take weeks or months.

We use state-of-the-art, high precision machinery and can accomplish in just a few hours the amount of work which can take weeks to achieve by hand - with exceptionally high quality and at incredibly low cost.

The use of computer precision stitching results in a premium quality quilt. This produces a beautiful blend of modern technology and classic design.

Collaborative Design
